## INVITATION to the competition in giant slalom – 26<sup>th</sup> ROK'S CUP

**Unfortunately deceased Rok Petrovič, a member of our ski-club throughout, was a worldwide known skier. Not only because of his exceptional results during his contestant career – we remember him also for his character: he was a sportsman who has never been addicted to the results so much as to become spoiled by them. For all who knew him better he was – and he will always be – simply Rok.**

He has remained in such a memory also for the members of the Ski Club NOVINAR, since he has been with us from his first "skiing steps" onwards. He has been especially popular among the youngest skiers and he has always found time for answering their questions and giving the advise.

In the beginning of 1995 we decided to show our respect and gratitude to Rok Petrovič by organizing an international competition in giant slalom, which should become traditional meeting and competition of the youngest skiers. After the agreement of his parents we named the contest "Cup of Rok Petrovič" – or simply "Rok's Cup".

\* Applied competitors from Slovene ski clubs will be classified before draw into three ranking groups on the ground of submitted ranks by the regional ski director. The entries for the drawing of start numbers for the first two groups will be formed by the organizing committee from each of four Slovene regions (Central, East, West, South) to the rules of Slovene Ski Association and one competitor from every team from abroad will be included in each of these groups. The third group will be formed by remaining competitors.

Teams from abroad have to apply their competitors through web application in the order they want to see them to be drawn (e. g. The first applied, will be drawn out of the first ranking group, the second out of the second ranking group and all the rest out of the fourth ranking group).
