INVITATION to the competition in giant slalom – 32nd ROK'S CUP

Unfortunately deceased Rok Petrovič, a member of our ski-club was a worldwide known skier. Not only because of his exceptional results during his contestant career – we remember him also for his character: he was a sportsman who has never been addicted to the results so much as to become spoiled by them. For all who knew him better he was – and he will always be – simply Rok.

He has remained in such a memory also for the members of the Ski Club NOVINAR, since he has been with us from his first “skiing steps” onwards. He has been especially popular among the youngest skiers and he has always found time for answering their questions and giving the advice.

In the beginning of 1995 we decided to show our respect and gratitude to Rok Petrovič by organizing an international competition in giant slalom, which should become traditional meeting and competition of the youngest skiers. After the agreement of his parents we named the contest “Cup of Rok Petrovič” – or simply “Rok's Cup”.
